DIRECTOR’S REPORT
- Oceanside Library’s Annual Dr. Seuss’ Birthday Bash was held on Sunday, March 3rd, from 1-3pm. We had a wonderful turnout – hundreds of families attended this event. It is great to see how this event has grown over the years.
- This year, to gear up for this event, our Project Coordinator, Ms. Kehner and Technology Coordinator Librarian, Ms. Albanese created a promotional video for the library’s Facebook page of our wonderful Librarians and Staff doing readings from a Dr. Seuss Classic. A great job was done by everyone involved in putting this together and by a super group of readers! Thank you to Mr. Genovese for his creative notice to our patrons on the second floor in the Reference area explaining what is happening with hundreds of families celebrating Dr. Seuss Day underneath them. We also added a green screen in the adult reading area with photo props which many families enjoyed.
- Thank you to all of our staff and volunteers for their work: Children’s Services – for creating all of the crafts and more--the Programming Team, Circulation Department, Reference and Information Services, Custodial Staff, the support of our Board and all of the Adult and Young Adult Volunteers: the support of the Kiwanis and Key Club and Friends of the Oceanside Library. Everyone’s amazing teamwork is what makes this event a huge success.
- On Monday, March 4th, the Library had a delayed opening for 11am due to inclement weather.

**STAFF DEVELOPMENT/MEETINGS**

- On February 26th – Aflac presentation for staff.
- On Tuesday, March 5th – Sexual Harassment Training - morning/evening staff development sessions. Two videos were shown with opportunities for questions and answers after each video.
- On Thursday, March 7th – I held a Department Head Meeting.
- On Thursday, March 14th – Administrative Staff met with M&T Bank.
- On Friday, March 15th – Nassau Library System scheduled a meeting with Missy Miller at the Long Beach Public Library to advocate for funding for NLS and Libraries. There was some discussion on the 2020 Census. Mr. Iovino attended this event in my absence.
- On Thursday, March 21st – Excel training classes for staff.

**BUILDING**

- Elevator: On Sunday, March 3rd – Elevator shut down due to slacked cables. The elevator was repaired on Monday, March 4th. On Friday, March 8th the power unit was switched out (no cost) which has improved the noise level. On March 20th, I met with an elevator consultant to discuss existing service and explore options – no cost for this consultation.
- On Saturday, March 9th – Fire alarm signal--one of the heads collected dust and sent a false smoke detection. OFD was dispatched. When the fire panel was reset no further action was needed. This occurred prior to the building opening to the public. Staff did a great job evacuating following our EAP.
- As a safety measure and to further assist the Fire Department and staff - all heads have been renamed according to new floor plan. Copy on the fire panel.
- Roof repairs ongoing - one leak was addressed. Other areas being investigated.
- HVAC Switch – The electrical switch to HVAC unit 5 (Children’s Room) needed emergency repair. This switch was repaired on March 26th.
- We are always looking for ways to enhance security and safety. After a walk through with security expert Don Longo (no cost for walk through) – Head Custodian, Mr. Tripodi installed an interior lock on the Circulation Office.
- A motion/sensor light will be installed in the Children’s Storyhour room.

**MISC**

- On Thursday, March 21st, I attended the Community Active Shooter program with Don Longo. This program had a good turnout.
- I will be attending the Friends of Oceanside Library Founders Day Breakfast at the OJC on Sunday, March 31.
- Oceanside Library will be hatching chicks - Chicks will be arriving at OL on April 9th.
