Ten Steps To Borrowing eBooks with your Nook

What you will need to begin:

- ⌘ Charged Nook Device**
- ⌘ Computer to transfer books to your NOOK**
- ⌘ Email address**
- ⌘ Oceanside Library Card**
- ⌘ Adobe ID & Password**
- ⌘ Wi-Fi or Cellular Network**

- 1). Install the free Adobe Digital Editions (ADE) on your computer:
www.adobe.com/products/digitaleditions/
- 2). Create an Adobe ID. Open the ADE Software. Click Activate.
- 3). Go to the Oceanside Library web site at www.oceansidelibrary.com .
Click the Nassau Digital Doorway graphic. This is where you can search for or browse for books.
- 4). Click Sign In and choose Oceanside Library from the drop down menu. Enter your library barcode on the next screen.
- 5). Browse or search the collection to find a book. You can refine your search by choosing Advanced Search where you can set the Format drop down menu to ePub Books. You can also check the Only show available copies box.
- 6). When you find a title, click on the book cover. Click Borrow.
- 7). Drop down the Download menu, check ePub Book. Click Confirm & Download.
- 8). Connect your Nook to your computer. A screen on your computer will appear, telling you that you need to authorize the NOOK to use ADE. Click authorize device. After a moment, the NOOK is authorized. A new shelf appears on the ADE screen titled My NOOK.
- 9). Drag the book you just borrowed to this shelf. Disconnect your NOOK from your computer
- 10). On your NOOK, look for the file name of the book you just transferred.
It will end in .epub or .pdf. Tap it and the book opens.
