

How to Access Hoopla

eBooks, audiobooks, comics, movies, music & tv shows

What you will need:

- Computer or charged smartphone or tablet device
- Oceanside Library Card
- WiFi connection

On Your Computer

1. Go to www.hoopladigital.com
2. Click "Sign Up"
3. Enter your email address and password
4. Select your library
5. Enter you library card number (no spaces)
6. Click "Sign Me Up"
7. Use the Browse or Search functions at the top of the page to find an item
8. Click on your chosen item to read more about it, then hit "Borrow"
9. A message will let you know how long your loan period is for that item

To view your checkout history or access your currently borrowed items, scroll over "My Hoopla" at the top

On Your Mobile Device or Tablet

1. Download the "hoopla Digital" app from your app store
2. Click "Sign Up"
3. Enter your email address and password
4. Select your library
5. Enter library card number (no spaces)
6. Click "Sign Me Up"
7. Use the Browse or Search functions at the bottom of your screen to find an item
8. Click on your chosen item to read more about it, then hit "Borrow"
9. A message will let you know how long your loan period is for that item

To view your checkout history or access your currently borrowed items, tap "My hoopla" at the bottom

All loans will automatically return when your loan period has expired.

Hoopla is compatible with Apple TV, Android TV, Airplay, Chromecast, Fire TV, and Roku devices for streaming to your television.
