kindle fire

What you will need:

- Charged & registered Kindle device
- Oceanside Library Card
- Amazon ID & password
- WiFi connection

1. If you have a Kindle Fire, you may begin by connecting to a WiFi network and opening your Kindle's web browser.
2. In your web browser, go to the site: <https://nassau.overdrive.com/>
3. Tap "Sign in" on the top-right. Select your library from the drop-down list and enter your library card number (no spaces).
4. Once you're logged in, you can manually enter a search in the search bar or browse. It is recommended that you use the "Kindle Books" option at the top when searching for eBooks, or begin a search and then refine your search by selecting "EBooks" then "Kindle Books" from the search filters.
5. When you find a title, click "Borrow" beneath the item cover. If the title is currently unavailable, you can choose "Place a Hold" to add the item to your holds list.
6. A small screen will pop up:
 - a. For an **audiobook**, click on "Listen now in browser." You may stop here and start listening to your book now or access it later by logging into OverDrive via your web browser and clicking on the bookshelf icon  on the top-right.
 - b. For a **magazine**, click on "Read now in browser". You may stop here and read your magazine now or access it later in your OverDrive bookshelf by clicking on the bookshelf icon  on the top-right.
 - c. For an **eBook**, click on "Read now with Kindle" and continue on to step 6 of the Kindle Paperwhite instructions.
