

How to Borrow eBooks, Audiobooks & Magazines

kindle fire

What you will need:

- Charged & registered Kindle device
- Oceanside Library Card
- Amazon ID & password
- WiFi connection

1. If you have a Kindle Fire, you may begin by connecting to a WiFi network and opening your Kindle's web browser.
2. In your web browser, go to <https://libbyapp.com> (or use the Libby app on an iOS or Android device).
3. If you are new to Libby, follow the prompts to set up your account using your library card number.
4. Once logged in, you can click on the magnifying glass icon on the bottom left to search for a title, author, or series. Not all eBooks are Kindle compatible, so it is recommended that you use the "kindle" filter option in your search.
5. When you find a title, click "Borrow" next to the item cover. If the title is currently unavailable, you can choose "Place a Hold" to add the item to your holds list.
6. Go to your book shelf (stack of books on bottom right):
 - a. For an **audiobook**, click on "Open Audiobook." You may stop here and start listening to your book now or access it later by returning to your Libby bookshelf.
 - b. For a **magazine**, click on "Read Now". You may stop here and read your magazine now or access it later by returning to your Libby bookshelf.
 - c. For an **eBook**, click on "Read With..." then "Kindle." Continue on to step 6 of the Kindle Paperwhite instructions to deliver the item to your Kindle.

How to Borrow eBooks

Kindle Paperwhite is not compatible with audiobooks & magazines.
For access to these items, use your smartphone or tablet!

kindle paperwhite

What you will need:

- Charged & registered Kindle device
- Oceanside Library Card
- Amazon ID & password
- WiFi connection & computer/smartphone

1. If you have a Kindle Paperwhite, you must begin on a computer, smartphone, or other device with an internet connection.
2. Download the Libby app from your app store or go to libbyapp.com in your web browser.
3. Once logged in, you can click on the magnifying glass icon on the bottom left to search for a title, author, or series. Not all eBooks are Kindle compatible, so it is recommended that you use the "kindle" filter option in your search.
4. When you find a title, click "Borrow" next to the item cover. If the title is currently unavailable, you can choose "Place a Hold" to add the item to your holds list.
5. Go to your book shelf (stack of books on bottom right) and click on "Read With..." then "Kindle."
6. You will then be prompted to login to your Amazon account.
7. After signing in, make sure the correct Kindle device is listed where it says "Deliver To," then click the button "Get Library Book."
8. Once you have downloaded an eBook, it should appear on your Kindle's homepage. It may take a few minutes to download. If, after several minutes, the book does not appear, double check your Kindle's WiFi connection and hit the refresh button .

All digital checkouts will be automatically returned when the loan period expires. You can extend your loan via OverDrive 3 days prior to the due date if there is no waitlist for the item.
