

# Manage Your Library Card Online

Oceanside Library Website

Nassau Public Libraries App

With online or mobile access to your library account you can:

- Make & cancel item requests
- View the items you currently have checked out
- View your items on hold
- Check your due dates & fines

1. Go to our website: [www.oceansidelibrary.com](http://www.oceansidelibrary.com).
2. Click on "My Account" on the main navigation bar at the top of the screen.
3. Enter your 14-digit library card number (no spaces) and your PIN.\*
4. To edit your account information, view your reading history, pay fines/fees, etc. click on "My Account" located above the search bar and to the right.

1. Go to your device's app store and search for "Nassau Public Libraries Mobile."
2. Download the app and open.
3. Choose "Oceanside Library" from the list. Then, enter your 14-digit library card number (no spaces) and your PIN.\*

The app is available on any iOS, Android, or Kindle tablet device.

Managing your library card account through the library website or the Nassau Libraries app is only for managing your *physical* library card and *physical* items. To access items digitally, ask about OverDrive, Libby & Hoopla!

**\*Note about PINs:** If you did not create a PIN when you signed up for your card, you can create your PIN the first time you login by typing it into the field and clicking "Login." Be sure to write it down so you don't forget it! If the system tells you that you already have a PIN, but you don't remember it, you can call the Welcome Desk and have your PIN reset.
